

## **About “B” Club**

The new Bellizzi “B” Club is a teen club for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> graders where you can come play, eat, dance and socialize in a safe environment. The B club's pre-opening party kicked off on Thursday, August 5<sup>th</sup> and it was a big success, don't miss the next one.

The B Club is a place where you belong, a place to meet friends and a place to call your own. After 9:00 pm, Bellizzi will open up the B Club and you can express yourself freely. It will be a place to play, dance or listen to music, a place where you can compete, a place to eat great food and a place to win amazing prizes. The “B” club is every teens fantasy world! We have selected September 25<sup>th</sup> for the next teen night, pass the word and be there.

## **Why become a B Club Member?**

Member rewards are endless! Rewards include Bellizzi news, reduced rates, contests and discounts.

## **How will I meet people at the B club?**

One of the main goals of the B club is for teens to meet other teens in the Northern Westchester area. We want to be a central hub for teens to meet great teens in an environment you are comfortable with and where there is limited adult supervision. You grew up playing the games at Bellizzi, and now that you are older your needs have changed and we have changed our games accordingly. As you grow, we grow with you.

## **How is Bellizzi hip?**

The new game room has tons of new games and a brand new digital jukebox! We also have an amazing sound system in the room and you will get to control the music yourselves! On certain nights we will have a DJ. There are video games where competitions are occurring and you have the opportunity to play against your friends. The “B” club is your world that you have created.

## **What is the best thing about the B club?**

The “B Club” is a place where you can “B” yourself. Everywhere else you go is organized with adults in charge. At Bellizzi, we know how important it is for you to have your own private space with other teens your age. That is why we have created the B club. It is your life and we want to give you the space and environment to freely express yourself.

## **B Club page for parents:**

Our kids are growing up at Bellizzi; and if your kids are like mine, at a certain age they feel that they are too old to come with the family. We surveyed kids from the ages of 10 to 15 and made changes to get them back so they can be included in the important family dinner. Our game room has been upgraded to include 2010 state-of-the art games where the whole family can play together. We have also created the "B" Club. It's a way for teens to meet in a social environment with kids their own age and share good times.
