Saw Mill Club

Afternoon Enrichment

September 2020 – June 2021

Saw Mill Preschool offers your child an array of engaging, educational experiences that stretch beyond our general curriculum. After the regular day has ended, children will have a special lunch date with their teachers in the classrooms to prepare for an activity-filled afternoon! Each enrichment experience is lead by a dedicated teacher and is designed to provide a developmentally appropriate and stimulating learning experience for your child. Afternoon Enrichment provides a time when your child can work one on one with a teacher and teacher's assistant. Each enrichment opportunity is designed to cultivate the natural curiosities found within children. This program follows the Bedford Central School District emergency dismissals and school holiday schedule.

STEAM: with Ms. Jaime Fastiggi, Early childhood is the best time to prepare children to become fluent in **STEAM** (Science – Technology – Engineering – Arts – Math). During this time children will explore, ask questions, learn, predict, observe and integrate their learning and development. Through experiments, various problem solving methods and mathematical inquiry children will become familiar with many STEAM vocabulary terms and phrases outlined by the New York State academic framework. Saw Mill Preschoolers will have fun while they move full STEAM ahead in their learning this year!

Tennis: Tennis, instructed by our beloved, seasoned pro Norm, is always a hit! Your children will be involved in running exercises for stamina, throwing and catching the ball for hand eye coordination, and learning to hit volleys! Children will also work together on the court and have fun as they work together as a team!

Yoga: This playful class encourages self-expression as well as building social skills. Children will strengthen their bodies as they learn how to focus through breathing and relaxation techniques. Different types of yoga are practiced such as story time yoga, black light yoga & circus yoga. In this engaging session, we combine simple yoga poses with engaging songs, yoga poses and stories that exercise social, sensory and motor skills while increasing flexibility.

Swim: Young children learn to swim best in a comfortable environment, which is why at Saw Mill Club we are dedicated to creating a safe and fun environment for our lessons. During Afternoon Enrichment our expert instructors provide your child with a more individualized program to prepare them to become life long swimmers.

Tuition Guidelines

- ◆ Tuition is paid first and last at time of registration and the other eight installments are billed to Saw Mill Club account.
- ◆ Tuition remains the same when your child is absent.
There is NO VACATION CREDIT.
There are no deductions for weeks that may contain a holiday or snow days.
- ◆ Should your child withdraw from the program at anytime after registration, for any reason, the prepaid installments will not be subject to refund.
