This schedule is subject to change, please refer to the Member Portal for most up-to-date schedule.

Every other week is
Step & Sculpt with Melanie

Cardio Sculpt: Resistance based strength exercises paired with short intervals of cardio drills. Be ready to use all types of equipment like steps, gliders, dumbbells...each class will vary to keep your body challenged. **BOSU Cardio Sculpt uses BOSU balls.**

COREmix: The SMCE signature class which fuses elements of Pilates and Barre with traditional balance and core training for a total body experience.

Body X: A cardio and strength interval workout using your own body weight and external resistance. Torch calories, create lean muscle mass and get fit! **Step Camp X uses step platform.**

LIIT Bootcamp: Strength intervals followed by short bursts of low impact cardio to get your heartrate up without jumping. Low impact, but still high intensity!

POP UPS!: Rotating instructors and class varieties - check the online schedule and in-club flyers for each week's pop up class!

Kick & HIIT: Boxing and kicking drills combined with High Intensity Interval Training cardio to give you an effective, total body workout.

4x4: Work is broken down into Upper Body, Lower body, core and cardio for a minute at a time. Focus on each part of the body individually while still getting a little bit of everything!

Strength & Core: a total body strength building workout with plenty of focus on your essential core muscles.

Super Strength: Take your strength to the next level! This class uses all types of resistance equipment (weights, bars, balls, bands) as well as your own body weight to build strength.

Total Body Blast: High intensity intervals of cardio drills, strength training and core work. Everything you need to get full body blasting results!

GROUP CYCLE

Road Ride: Hills, flats, sprints oh my! Ride on all types of terrain in this classic cycling class.

Rhythm Ride: Bike to the beat, spin to the songs, ride the rhythm and let the playlist take over in this music and RPM based class.

Resistance Ride: A ride designed to build strength through resistance drills and climbs.

Race Coaching Ride: Train like the pros AND ride with them! Learn about your limitations with scientifically designed programs to increase strength, speed, endurance, power and agility while enjoying race coverage from all over the globe. The last Thursday of the month will be an Endurance Ride.

Video Ride: A ride built around the power of music videos. Entertainment for your body and mind!

45 minute interval training class in the HIIT Factory Studio based on four keystone pillars of the program: Cardio, Power, Strength and Endurance.

The Latin inspired dance class that will have you smiling and having a blast while you create a slimmer, more-shapely you!
All levels welcome.
